startups. A business entity or individual in the process of creating a business entity, regardless of its business area. Startups may be required, at the Sponsor's sole discretion, to provide proof of (i) company registration by submitting a registration certificate issued within the last three (3) months, or ongoing company registration, or any trade registry and proof ensuring the registration of the entity in the relevant country, and (ii) a valid professional insurance policy subscription students. Any individual aged eighteen (18) years or older and with full legal capacity, who (i) is currently enrolled at a post-secondary institution or (ii) has recently graduated from a post-secondary institution less than two (2) years before the current academic year, with a student card as proof. Each student may only participate once in each Challenge. If the Participant is a minor, such Participant must provide this authorization signed by a parent or guardian to authorize the participation to the Challenge in the name of the minor Participant.

Obiettivi >> Astellas is committed to creating a world where individuals can lead mentally and physically healthy lives by providing adequate healthcare solutions other than traditional medication, through the Rx+® business. Unfortunately, optimal solutions do not always exist, particularly for sensory-disabled people and individuals with restricted access to medicine. Categories:

- empowering sensory-disabled people through technology: With this theme, Astellas wishes to improve the lifestyles of people with sensory disabilities by developing solutions incorporating new digital technologies. The aim is to support individuals with sensory disabilities and/or their relatives and caregivers with sensory augmentation or replacement solutions for the dysfunctioning sense(s)
- improving access to healthcare through technology: Astellas is committed to bringing the adequate medication and medical services to all, and particularly to those for whom access is complicated, by developing innovative solutions.

Hilton Humanitarian Prize 2021

ID: 17479

Scadenza: 01-10-2020

Ente finanziatore: Hilton Foundation

Soggetti ammissibili >> non-profit

Non profit organizations all over the world

Obiettivi >>

The Conrad N. Hilton Humanitarian Prize is the world's largest annual humanitarian award presented to nonprofit organizations judged to have made extraordinary contributions toward alleviating human suffering.

The nomination letter should emphasize the organization's accomplishments rather than future goals. Both historic and recent performance should be addressed. Following are elements to consider in describing the nominee's work:

- extraordinary contributions toward alleviating human suffering
- established record of achievement
- demonstration of a compelling programmatic approach to make a lasting impact
- demonstration of effective partnerships
- innovation in program design
- organizational capacity and administrative efficiency.

Prince Talal International Prize for Human Development

ID: 17481**Scadenza:** 15-12-2020**Ente finanziatore:** Arab Gulf Programme for Development (AGFUND)

Soggetti ammissibili >> ente pubblico non-profit profit singole persone No one can nominate his/her or its project. However, each of the following entities is eligible, as third party, to nominate for the Prize; UN organizations, regional, international and national NGOs, governments agencies, public institutions, universities and research centers, syndicates and experts in the field.

Obiettivi >> The idea of the Prize is stemmed from AGFUND's approach to enhance development performance and support key development projects in order to achieve the goal of sustainability and investment in people. Since its establishment in 1999, the prize has been known as AGFUND International Prize for Pioneering Human Development Projects. Following the passing away of His Royal Highness Prince Talal bin Abdul Aziz Al Saud, founder of AGFUND, in December 2018, the AGFUND's Board of Directors decided to rename the prize after the late Prince Talal. This decision was taken to commemorate his lifelong dedication to the service of human development and poverty alleviation through AGFUND and the other institutions he established. Hence, the prize new name is "Prince Talal International Prize for Human Development". Subject of 2020 Prize: Zero Hunger: Eliminating Hunger, Providing Food Security and Improved Nutrition, and Promoting Sustainable Agriculture Prince Talal International Prize for Human Development aims to:

- support the distinguished efforts aiming at the promotion and enhancement of human development concepts
- disseminate the successful project experiences
- highlight the best practices, which aim to improve the living conditions of the poor and disadvantaged with particular emphasis on women and children
- enhance the exchange of experiences and develop better mechanisms to find solutions to the problems of poverty, marginalization and socioeconomic exclusion of vulnerable groups.
