Rotte Educative Call for what there is

ID: 19237**Scadenza:** 07-05-2021**Ente finanziatore:** Generas Foundation**Soggetti ammissibili >>** non-profit

Possono partecipare alla call solamente organizzazioni non profit della società civile che:

siano riconosciute e operative in Italia abbiano più dell'80% delle attività nel settore dell'educazione abbiano tra i loro valori fondanti gli obiettivi della call abbiano comprovata esperienza di almeno 2 anni nel settore di intervento (comprovabile attraverso l'autodichiarazione predisposta in cui si dichiara che l'organizzazione non profit è stata fondata da almeno due anni dalla data di pubblicazione del bando, oppure che i coordinatori responsabili delle attività abbiano almeno tre anni di esperienza nel medesimo settore di intervento) siano specializzate nell'attività per cui si presentano alla call, sia in ambito educativo che psico-pedagogico non si occupino di cooperazione internazionale allo sviluppo.

Obiettivi >>

Generas Foundation tramite Edunauta lancia la sua prima call, nella prospettiva di estrarre pratiche dall'esperienza dando voce ad esperti del settore o raccontando le tracce da loro percorse, raccolte in diverse tematiche, dove la relazione è al centro e le sfide sono il pane quotidiano di chi educa con passione.

La Call "Rotte Educative" intende sostenere la trasformazione culturale in atto in ambito educativo che sta rimettendo al centro la relazione come elemento indispensabile per accompagnare le nuove generazioni nell'espressione del proprio potenziale di crescita. Una relazione con:

- sé stessi per un'educazione attiva, fatta di libere esplorazioni, di esperimenti e scoperte
- gli altri per un'educazione tra pari, perché relazionarsi, collaborare e lavorare in gruppo è fondamentale per apprendere
- la natura e con il mondo per un'educazione che deriva dalla natura, dalla città, dalle occasioni della vita e dalle esperienze tutte
- il sapere per un'educazione che domanda per concedere il diritto di riconoscere i propri pensieri e regalare la gioia della scoperta
- le difficoltà e le sfide per esperienze educative inclusive, in cui ci sia posto per tutti e tutte, per il valore aggiunto che danno le differenze e le sfide stesse.

Nella cornice dell'obiettivo generale, la call ha i seguenti obiettivi specifici:

- Filtrare e mettere a repertorio le realtà del Terzo Settore che lavorano, accompagnando scuole, studenti e famiglie
- promuovere e sostenere un'educazione trasformativa
- filtrare e mettere a repertorio le scuole parentali o private che sono nate all'interno di Organizzazioni Non Profit.

Erasmus + Key action 1: Mobility of individuals in the field of education and training Round 1

ID: 19293

Scadenza: 11-05-2021

Ente finanziatore: Commissione Europea

Soggetti ammissibili >> singole persone non-profit ente pubblico

The following organisations are eligible to apply:

Organisations providing initial or continuing vocational education and training Local and regional public authorities, coordination bodies and other organisations with a role in the field of vocational education and training Companies and other public or private organisations hosting, training or otherwise working with learners and apprentices in vocational education and training

However, organisations holding an Erasmus accreditation in vocational education and training cannot apply for short-term projects.

N.B. UK is not eligible

Obiettivi >>

This action supports providers of vocational education and training (VET) and other organisations active in the field of VET that want to organise learning mobility activities for VET learners and staff. The purpose of mobility activities funded by Erasmus+ is to provide learning opportunities to individuals and to support internationalisation and institutional development of VET providers and other organisations in vocational education and training. The action will support the implementation of the Council Recommendation on vocational education and training and the Osnabrück Declaration, and the European Skills Agenda. It will also contribute to the creation of the European Education Area. Specifically, the objectives of this action are:

- a. Increasing the quality of initial and continuing vocational education and training (IVET and CVET) in Europe by:

- strengthening key competences and transversal skills, in particular language learning
- supporting the development of job specific skills needed in the current and future labour market
- sharing best practices and promoting the use of new and innovative pedagogical methods and technologies, and supporting the professional development of teachers, trainers, mentors

and other staff in VET

- building the capacity of VET providers to carry out high quality mobility projects, and their ability to form quality partnerships while developing their internationalisation strategy
- making mobility a realistic possibility for any learner in IVET and CVET, and increasing the average duration of mobility for VET learners to increase its quality and impact
- fostering the quality, transparency and recognition of learning outcomes of mobility periods abroad, especially by using European tools and instruments.

b. Strengthening the European dimension of teaching and learning by:

- promoting values of inclusion and diversity, tolerance, and democratic participation
- promoting knowledge about shared European heritage and diversity
- supporting development of professional networks across Europe

Activities:

1. Staff mobility

- Job shadowing (2 to 60 days)
- Teaching or training assignments (2 to 365 days)
- Courses and training (2 to 30 days)

Eligible participants include teachers, trainers, and all other non-teaching experts and staff working in initial vocational education and training (iVET) and in continuing vocational education and training (cVET). Eligible non-teaching staff includes staff working in initial and continuing VET, either in VET providers (as management staff, international mobility officers, etc.) or in other organisations active in vocational education and training (e.g. trainers in local partner companies, counsellors, policy coordinators in charge of vocational education and training, etc.).

2. Learner mobility

- Participation in skills competitions (1 to 10 days)
- Short-term learning mobility of VET learners (10 to 89 days)
- Long-term learning mobility of VET learners (ErasmusPro) (90 to 365 days)

Eligible participants include learners and apprentices in initial vocational education and training (iVET) and in continuing vocational education and training (cVET). Participants must be enrolled in an eligible iVET or cVET programme

In addition to physical mobility, all learner mobility activities can be blended with virtual activities. The minimum and maximum durations specified above apply to the physical mobility component. Participation in skills competitions: VET learners can participate in skills competitions abroad. Funding is also provided for staff, mentors or experts accompanying the learners during the activity. Short-term learning mobility of VET learners: VET learners can spend a period learning abroad at a partner VET provider, in a company, or in another organisation active in the field of VET or the labour market. The learning period must include a strong work-based component and an individual learning programme must be defined for each participant. For participants with fewer opportunities, mobility can be organised with a minimum duration of 2 days, if justified. Long-term learning mobility of VET learners (ErasmusPro): VET learners can spend a longer period learning abroad at a partner VET provider, in a company, or in another organisation active in the field of VET or the labour market. The learning period must include a strong work-based component and an individual learning programme must be defined for each participant.

3. Other supported activities

- Invited experts (2 to 60 days)
- Hosting teachers and educators in training (10 to 365 days)
- Preparatory visits

Horizontal priorities:

- Inclusion and diversity
- Environmentally sustainable and responsible practices
- Digital transition in education and training

Projects can choose the following start dates:

Round 1: between 1 September and 31 December of the same year

Round 2: between 1 January and 31 May of the following year

Project duration: From 6 to 18 months

Deadlines:

- Round 1 for all National Agencies: 11 May at 12:00:00 (midday Brussels time)
- Round 2 for National Agencies that decide to open a second deadline: 5 October at 12:00:00 (midday Brussels time)

The National Agencies will inform the applicants about the opening of the second deadline through their website.

Erasmus + Key Action 1: Learning mobility in the field of youth

ID: 19297**Scadenza:** 11-05-2021**Ente finanziatore:** Commissione Europea**Soggetti ammissibili >>** ente pubblico non-profit

Organisation holding a valid Erasmus Youth accreditation at the application deadline. The Erasmus Youth accreditation facilitates youth learning mobility by providing accredited organisations with a simplified and flexible alternative format for implementing activities.

Adult education providers and other organisations active in adult education can apply for funding in two ways:

Short-term projects for mobility of learners and staff provide applicant organisations with an opportunity to organise various mobility activities over a period of six to eighteen months. Short-term projects are the best choice for organisations trying Erasmus+ for the first time, or for those that wish to organise only a limited number of activities. Accredited projects for mobility of learners and staff are open only to organisations holding an Erasmus accreditation in the field of adult education.

Obiettivi >>

Learning activities within the youth field are meant to have a significantly positive impact on young people as well as on the organisations involved, the communities in which these activities take place, the youth field itself and the European economic and societal sectors at large

The following Actions are supported:

- Mobility of young people - Youth exchanges
- Mobility projects for youth workers
- Youth participation activities

All accredited projects will have an initial duration of 15 months. After 12 months, all beneficiaries will have the possibility to prolong their project to a total duration of 24 months.

Contributo >>

Detailed rules on basic and maximum grant, scoring of the allocation criteria, weighting of each criterion, the allocation method, and the budget available for accredited projects will be published by the National Agency ahead of the call deadline.

Erasmus + Key Action 1: Mobility projects for young people - Youth exchanges Round 1

ID: 19298**Scadenza:** 11-05-2021**Ente finanziatore:** Commissione Europea**Soggetti ammissibili >>** profit non-profit ente pubblico

A participating organisation can be:

a non-profit organisation, association, NGO; European Youth NGO a public body at local, regional, national level a social enterprise a profit-making body active in Corporate Social Responsibility an informal group of young people established in a Programme Country or a Partner Country neighbouring the EU

Any eligible participating organisation or group established in a Programme Country can be the applicant.

Minimum two participating organisations (at least one sending and at least one receiving organisation) from different countries must be involved.

Obiettivi >>

Erasmus+ supports non-formal learning mobility of young people in the form of Youth Exchanges, with the objective to engage and empower young people to become active citizens, connect them to the European project as well as to help them acquire and develop competences for life and their professional future. More specifically, Youth Exchanges aim to:

- foster intercultural dialogue and learning and feeling of being European;
- develop skills and attitudes of young people;
- strengthen European values and breaking down prejudices and stereotypes;
- raise awareness about socially relevant topics and thus stimulate engagement in society and active participation.

The Action is open to all young people, with a special focus on those with fewer opportunities.

A project is implemented by at least 2 organisations. Organisations involved in a project should benefit from their participation; the project should therefore be in line with their objectives and fit their needs. Organisations involved assume the roles of "sending" participants and/or "receiving" i.e. hosting the activity. One of the organisations takes also the role of coordinator and applies for the whole project on behalf of the partnership. A project consists of four stages: planning, preparation, implementation and follow-up. Participating organisations and young people involved in the activities

Erasmus + Key Action 1: Mobility for youth workers Round 1

ID: 19299

Scadenza: 11-05-2021

Ente finanziatore: Commissione Europea

Soggetti ammissibili >> ente pubblico non-profit profit

A participating organisation can be:

a non-profit organisation, association, NGO; European Youth NGO a public body at local, regional, national level a social enterprise a profit-making body active in Corporate Social Responsibility an informal group of young people established in a Programme Country or a Partner Country neighbouring the EU

Any eligible participating organisation or group established in a Programme Country can be the applicant.

Minimum two participating organisations (at least one sending and at least one receiving organisation) from different countries must be involved.

Obiettivi >>

This Action supports the professional development of youth workers and thereby the development of quality youth work at local, regional, national, European and international level, through non-formal and informal learning experiences in mobility activities.

The Action contributes to the objectives of the EU Youth Strategy 2019-2027, particularly to the European Youth Work Agenda for quality, innovation and recognition of youth work.

More specifically, Mobility projects for youth workers aim to:

- Provide non-formal and informal learning opportunities for educational and professional development of youth workers, contributing to high quality individual practice as well as to the evolution of youth work organisations and systems;
- Build a community of youth workers that can support the quality of projects and activities for young people in EU programmes and beyond.
- Develop local youth work practices and contribute to capacity building for quality youth work of the participants and their organisation, having a clear impact on the participating youth workers' regular work with young people

A project supported by this action must include one or more PDAs. Activities may be combined in a flexible manner, depending on the objectives of the project and the needs of the participating organisation(s) and participating youthworkers.

Professional Development Activities (PDA's) Professional development activities are transnational learning mobility activities supporting the professional development of youth workers.

They can take the form of:

- Study visits and different types of assignments, such as job shadowing, youth worker exchanges and peer learning, in youth work organisations and organisations active in the youth field abroad.
- Networking and community building among youth workers taking part in the action and supporting its objectives.
- Training courses supporting the development of competences (e.g. based on relevant existing competence models), to implement quality youth work practices or address and test innovative methods (for instance related to digital and smart youth work⁸⁴).
- Seminars and workshops supporting in particular knowledge-building and best practices sharing linked to the objectives, values and priorities of the EU Youth Strategy and of the EU programmes contributing to its implementation.

A project is implemented by at least two organisations. All organisations involved need to be identified at application stage as a solid partnership is fundamental condition for high quality project delivery. Organisations involved assume the roles of "sending" participants and/or "receiving" i.e. hosting the activity. One of the organisations takes also the role of coordinator and applies for the whole project on behalf of the partnership.

Horizontal priorities:

Erasmus + Key Action 1: Youth participation activities Round 1

ID: 19300

Scadenza: 11-05-2021

Ente finanziatore: Commissione Europea

Soggetti ammissibili >> profit non-profit ente pubblico

A participating organisation can be:

a non-profit organisation, association, NGO; European Youth NGO a public body at local, regional, national level a social enterprise a profit-making body active in Corporate Social Responsibility an informal group of young people established in a Programme Country or a Partner Country neighbouring the EU

Any eligible participating organisation or group established in a Programme Country can be the applicant.

Minimum two participating organisations (at least one sending and at least one receiving organisation) from different countries must be involved.

Obiettivi >>

Erasmus+ supports youth-driven local, national and transnational participation projects run by informal groups of young people and/or youth organisations encouraging youth participation in Europe's democratic life and following one or more of the following objectives:

- provide young people with opportunities to engage and learn to participate in civic society (providing pathways of engagement for young people in their daily lives but also in democratic life, aiming for a meaningful civic, economic, social, cultural and political participation of young people from all backgrounds, with special focus on those with fewer opportunities)
- raise young people's awareness about European common values and fundamental rights and contribute to the European integration process, including through contribution to the achievement of one or more of the EU Youth Goals
- develop young people's digital competences and media literacy (in particular critical thinking and the ability to assess and work with information) with a view to increasing young people's resilience to disinformation, fake news and propaganda, as well as their capacity to participate in democratic life
- bring together young people and decision makers at local, regional, national and transnational level and/or contribute to the EU Youth Dialogue.

Youth Participation Activities are non-formal learning activities revolving around active participation

of young people. Such activities aim to enable young people to experience exchanges, cooperation, cultural and civic action. Supported activities should help the participants strengthen their personal, social, citizenship and digital competences and become active European citizens. This Action supports the use of alternative, innovative, smart and digital forms of youth participation, including the extension of youth participation into a variety of sectors and spaces (healthcare services, sports facilities etc., regardless of whether these are operated by the public or private sector), opening pathways to active participation for young people from all backgrounds.
